GREEN LIGHT INTRODUCES NEW ROSE & FLOWER SPRAY CONCENTRATE & READY-TO-USE

San Antonio, TX - January 1, 2006 – **Organic Rose & Flower Spray Concentrate**, and **Organic Rose & Flower Spray RTU** are now available from Green Light.

As part of a growing family of organic products, Bioganic® products were developed to provide consumers with formulations that are safe around children, pets, and the environment. These products are 100% organic, kill and repel insects, and act as a fungicide as well. They are the result of many years of research on natural pesticides. The active ingredients in these patented formulations are made from plant oils and other ingredients that are widely used as food and cosmetic additives.

Insects controlled by Green Light **Organic Rose & Flower Spray** include Aphids, Leafhoppers, Mealybugs, Spider Mites, Thrips, Whiteflies, and others.

Fungal diseases recommended for treatment are Anthracnose, Blights, Gray Mold, Greasy Spot, Leaf Spots, Powdery Mildew, Scab, Scale, and others.

Organic Rose & Flower Concentrate is available in a pint size and **Organic Rose & Flower Spray RTU** is available in a 24 oz. size. For more information on **Organic Rose & Flower Concentrate** or **Organic Rose & Flower Spray RTU**, as well as the entire line of Green Light Products, contact the Green Light Company, P.O. Box 17985, San Antonio, Texas 78217-0985, or visit our website, www.greenlightco.com.

Green Light is a 100% employee-owned company. Electronic images available upon request.
